When a regulatory action is exempt from executive branch review pursuant to § 2.2-4002 or § 2.2-4006 of the Administrative Process Act (APA), the agency is encouraged to provide information to the public on the Regulatory Town Hall using this form.

Note: While posting this form on the Town Hall is optional, the agency must comply with requirements of The Virginia Register Act, Executive Orders 14 (2010) and 58 (1999), and the *Virginia Register Form, Style, and Procedure Manual*.

Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

Federal and state laws require Virginia election administrators to maintain the security and confidentiality of personal voter information, including social security number and full date of birth. The proposed regulation provides a standard for encryption technology that localities may provide as an alternative to redacting personal information from applications and other documents before transmitting them electronically.

Family impact

Assess the impact of this regulatory action on the institution of the family and family stability.

The proposed regulation helps prevent identity theft that can impair family economic security.
